

## Provident Funds

### Introduction

Run by companies and other organisations for the benefit of their staff, Provident Funds are similar to a pension scheme in that employees pay in regular contributions, but Provident Funds pay out when the employee leaves the job rather than when the employee retires.

There are also records relating to provident funds in the School Mistresses and Governesses Benevolent Institution entry in the Occupational Pensions section of this guide.

### **CENTRAL PROVINCES MANGANESE ORE COMPANY LIMITED (CLC/B/040)**
